Getting to Kentlake High School

Kentlake High School's address is 21401 Southeast Falcon Way, Kent, WA 98042. You may park in the main parking lot or on Falcon Way.

Seating

All spectators will be seated on one side. Don't walk in front of a team that is about to take the floor or place/remove sets and props. Please be aware of the judging area; be sure they have a clear view of the entire floor at all times so they can judge each team fairly.

Showing Support

Dance/drill teams love to cheer for each other and it's even better when the fans join in! Show your support by cheering and clapping when you see something you like in a performance. It's okay to hold up signs before the team starts their performance and after they leave the floor at the end of the routine.

You can also show your support for your dancer by purchasing flowers and shout outs that will be delivered to them.

Concessions & Apparel

Concessions and event apparel will be available on site.

Photography & Video

Please do not use flash photography; it can be a dangerous distraction to performers. The Washington State Dance/Drill Coaches Association asks that you not record performances other than those of your own team. This is to protect student privacy and choreography.
