A. General Overview

1. West Central District III (WCD) sponsored tournament/events are the sole responsibility of the WCD and not the school district in which the tournament/event occurs.
2. As the sponsor and responsible party, the WCD carries two types of insurance:
 - a. Litigation-Liability Insurance, which covers the association in case of a lawsuit, filed over an accident or incident that may occur at the tournament/event site.
 - b. Catastrophic Insurance, which covers participants and tournament/event workers in case of an injury accident that may occur at the tournament/event site. This insurance becomes affective after the first \$25,000.00 of the individual's insurance coverage.
3. As the sponsor and responsible party the WCD pays rent (if necessary) for the use of the facility and employs a tournament/event manager who shall conduct the tournament/event according to WCD guidelines. The manager will employ the necessary personnel to conduct the event in a safe and efficient manner.
4. The pay scale for tournament/event volunteer workers is established by the WCD and shall take precedence over any pay scale established by the school district in which the tournament/ event is held.

NOTE: Managers are not to pay working personnel/volunteers, support group, or officials. All monies generated from admissions and other revenue, are required to be deposited in the WCD III **Columbia Bank** checking account. The WCD III Finance Director will make every effort to pay all working personnel within two weeks of receipt of deposit and Tournament/Event Financial Report. 02-22

B. Accounting Procedures - WCD III Tournaments/Events:

1. If requested, each tournament/event manager is to send a preliminary budget to the WCD III Director before the start of the tournament/event.
2. Each tournament/event manager must keep an accurate and detailed record on the WCD III Financial Report (Reconciliation) Form 3. This includes all monies received and disbursed. GoFan Digital Ticketing provides detailed records of all digital sales.
3. All monies received from admissions etc. are to be deposited into WCDIII **Umpqua** Account #7000737457. A checking deposit slip is available. Attach copy of deposit total with Form 2
4. *It is the managers' personal responsibility to deposit/reconcile proceeds with the bank within one (1) business day of the event. It is preferred that monies **NOT** be deposited in a bank night depository. However, if your district policy is contrary, then it is expected that the deposit be reconciled at the bank the next day, along with a bank deposit slip collected for records. The District Office must be notified by email or phone call of exact bank deposit within 1-2 days of transaction. This is vital for bank reconciliation reports.*
5. All expenditures (expenses for working/volunteer personnel, support group, officials, supplies, etc.) will be paid by the WCD Office.
6. On-line Payroll: Complete Online Payroll Excel Form 2.. List each tournament/event volunteer worker with first and last name address with city and zip, their assignment. This form gives specific instructions that need to be followed. Contact the Finance Director if questions. **DO NOT SEND A PDF BACK TO FINANCE DIRECTOR.
