for the disqualified player. This will not be counted as an ejection nor reported as an ejection to the WIAA.

The player will remain with his/her team in the bench area. NFHS soccer rule 12.8.2, Situation 1, page 178: Player A2, having been cautioned earlier in the game, commits a second cautionable offense.

RULING: Stop play, show the yellow card, subsequently show the red card to disqualify A2 and do not permit a substitution for the disqualified player.

18.27.0 EJECTION FROM CONTEST - Conduct resulting in an ejection from an interscholastic contest administered by game officials, coaches or school administrators shall result in the following:

18.27.1 For the remainder of the contest in which the ejection occurred:

- A. When a student is ejected, the coach continues to be responsible for the student. The student shall remain with the team.
- B. When a coach or other adult school representative is ejected, the coach or other adult school representative must vacate the playing area (gymnasium, field, and stadium.) If a head coach is ejected, an assistant coach or any school district personnel authorized to supervise students may assume the head coaching responsibilities for the remainder of the contest. If no other school district personnel are on site, the contest will be terminated and forfeiture declared.

18.27.2 The school principal/designee is required to submit an ejection report online to the WIAA office within 24 hours following the completion of the contest in which the ejection occurred.

18.27.3 The first ejection of the season shall result, at a minimum, in the ejected person (student, coach, other school representative) being ineligible until after the next school contest in that sport at the same level of competition from which the person was ejected.

A. An ejection due to violent conduct by a player or a coach or abusive language by a coach shall result in a suspension equal to twenty percent (20%) of the number of allowable contests for that sport as indicated below.

| Number of contests allowed/season | Number of contests suspended |
|-----------------------------------|------------------------------|
| 1 - 7 | 1 |
| 8 - 11 | 2 |
| 12 - 15 | 3 |
| 16 - 20 | 4 |

1. Violent conduct is defined as the commission of a violent act against an opponent, official, spectator, teammate or other individual(s) when in or out of play. A player or coach is guilty of violent conduct if he/she uses excessive force or brutality against an opponent when not in the play. He/she is also guilty of violent conduct if he/she uses excessive force or brutality against a teammate, spectator, official or any other person. Violent conduct may occur either on the field of play or outside its boundaries, whether the person is in play or not.

2. Abusive language is defined as harsh or insulting language or profanity directed towards another individual.

B. Even though a jamboree does not count as a contest for the purposes of meeting the suspension period, the suspended person is not allowed to participate in a jamboree.

C. A student who is on suspension may be on the team bench, but not in the school uniform, during the suspension period.

D. Any coach ejected shall not be involved in coaching to any degree during the game from which he/she is suspended and shall not be allowed into the facility (gymnasium, field, stadium, locker room or hallway, etc.) during the suspension period.

18.27.4 Should a participant be unable to complete a suspension during the sports season in which the ejection occurs, the suspension shall be carried over into the participant's succeeding season of participation. In order for the suspension in the succeeding season of participation to meet this requirement, the participant must be a member of the team for the entire season for that sport.

18.27.5 The second ejection in the same sport and season shall result in ineligibility for the remainder of the season of that sport.

18.27.6 For aggressive physical contact with an official, the WIAA Executive Director has the authority to suspend the individual from further competition for a period not to exceed one (1) calendar year.
